Dear Friend,

Thank you for your interest in our 2019 Industrial Products Catalog and for doing business with WCP Solutions!

Since my Grandfather founded the company in 1930 in Seattle we have focused on providing excellent customer service while providing quality products and reasonable prices. With the help of our customers and the efforts of our WCP Solutions team , WCP Solutions has grown to cover multiple West Coast and Greater Northwest states and to carry lines far beyond the basic packaging needs or merchants in 1930. Today we have over 500 team members throughout 14 divisions ready to meet your needs.

This catalog presents over 7,000 items that we stock in our local warehouses. It features conversion charts to simplify your decision making. It features new and improved packaging equipment and facility maintenance equipment sections. In addition, we have access to hundreds of thousands of items beyond those shown. We have product sourcing experts and experience working with many customers and suppliers to design custom product solutions.

Regarding the improved catalog sections on equipment, did you know that we have experts to help you design order fulfillment and packaging lines? And that we have technicians who can provide preventive maintenance as well as equipment service and repair for packaging and janitorial equipment?

Our goal is to be your resource, offering information, products and services to help you take your business to new levels.

I invite you to experience working with us and I hope that you choose WCP Solutions for your order today and as your preferred supplier for tomorrow!

Sincerely,

A handwritten signature in black ink, appearing to read "Teresa Russell".

Promotional Products

Do you need creative and effective promotional products to help you generate sales and add to your bottom line? We can help you.

With a choice of almost a million products, we help our customers find advertising products to create memorable messages that will be heard and that inspire and motivate end users into action!

Advertising, Brand Promotions and Trade Show Marketing

Generate traffic, solidify business identity and add to your bottom line with a variety of custom items like pens, pencils, calendars, desk accessories, calculators, and lanyards.

Apparel, Uniforms & Headwear

Imprint or embroider your company signature and message on a variety of wearables like t-shirts, polo shirts, aprons, uniforms, jackets, hats, caps, and safety wear.

Gifts, Business Accessories and Incentives

Build goodwill, loyalty and say thank you with personalized apparel, awards, trophies, recognition pins, gift sets, and much more.

Events, Fundraisers, Outings and Golf Tournaments

Build customer, employee, supplier and community relations with fun, brand durable gifts, toys, and useful promotional products. Great for business, industry and non-profits.

We are a promotional product distributor and proud member of the Advertising Specialty Institute. Items like mugs, pens and t-shirts are memorable and provide a better cost per impression for advertisers than almost every major marketing effort like TV, magazines and the Internet. We are able to supply your company with every possible promotional product from over 3000 suppliers.

PAPER, WIPERS & DISPENSERS

Brands You Know. Solutions You Can Trust.

At Kimberly-Clark Professional, we are dedicated to creating spaces that are healthier, safer and more productive. See what matters to us and why billions worldwide choose our products to make a positive difference in their lives.

The restroom matters

Few places impact satisfaction as much as the restroom. A positive experience can drive customer loyalty and increase revenue. A negative experience can have a truly damaging effect.

- Restrooms are one of the top three sources of complaints.
- Two-thirds of visitors say an unhygienic restroom lowers their impression of a facility overall.

But there are solutions that can turn your restroom into an asset: consumer-preferred, trusted brands such as Scott® and Kleenex®.

The planet matters

- We are a worldwide leader in sustainable business practices.
- We believe that smart, socially responsible practices drive customer preference and loyalty.

Experience matters

- We deliver the brand experience you want to create with our broad portfolio.
- We enhance the guest experience with our continued innovation and investment.

Partner with us to cultivate the future with the brands your customers trust.

HOW IT WORKS

Regular Soap³
Can't get to tough-to-reach areas where dirt and germs may hide.

CLEAN RELEASE™ Technology
Reaches into skin's cracks and crevices 2X better to lift and wash away more than 99% of dirt and germs.

PURELL® Brand HEALTHY SOAP® with CLEAN RELEASE™ Technology

Reaches into skin's cracks and crevices to remove more dirt and germs than regular soap.^{1,2,3} Remarkably mild, free of harsh preservatives and antibacterial ingredients. Good for you and the environment.

Dirt Removal Removes 30% more dirt than regular soap⁴

Better for You and the Environment

CLEAN RELEASE™ technology soaps are made with natural ingredients, far exceeding the 64% USDA requirements. They rinse faster and cleaner to conserve water.

Biobased Content 90% biobased content⁵

Water Conservation Saves an estimated 6 gallons per refill compared to regular soap⁶

SPILL CLEAN UP

REMOVE

HAZARDS QUICKLY

Spills happen unexpectedly, creating hazards for patrons and staff which need to be cleaned up as quickly as possible to avoid injuries. Using a string mop and bucket can be time consuming and leaves the floor wet. Spill Mop makes it easier to quickly remove liquid spills, leaving the floor dry faster.

A. SPILL MOP SYSTEM RUBBERMAID

Spills happen unexpectedly, creating hazards for patrons and staff which need to be cleaned up as quickly as possible to avoid injuries. Using a string mop and bucket can be time consuming and leaves the floor wet. Spill Mop makes it easier to quickly remove liquid spills, leaving the floor dry faster. The new Rubbermaid Commercial Products' Spill Mop cuts the overall time required to completely remove a spill in half versus a cotton string mop, leaving a safer, drier floor. Absorbs up to 32 ounces (0.94L) of fluid. Absorbed liquid is locked inside to prevent drips or leaks during disposal.

CAN LINER INFORMATION CHART

Linear Low Density Bag	High Density Bag	Equivalent Strength*		Converted Microns to Mils		
		Low D	vs High D			
Recommended for sharper objects under tougher transport conditions. Linear Low Density bags have excellent resistance to puncture and tearing.	Great for paper and non-sharp objects under moderate transport conditions. Uses less plastic than Linear Low Density. Has excellent resistance to puncture and light resistance to tearing.	2.0 Mil	=	22 + Microns	6 = 0.23	16 = 0.62

This trash can liner is brought to you by Revolution Bag straight from America's farms.

Revolution Bag diverts used agriculture film that's headed to landfills and recycles it into a high-quality post-consumer resin that is then converted into liners like this one.

This liner - and all of our liners - are ECOLOGO certified.

PRODUCT CERTIFIED FOR REDUCED ENVIRONMENTAL IMPACT. VIEW SPECIFIC ATTRIBUTES EVALUATED: UL.COM/EL

Smoke Away

Designed to eliminate severe cannabis and tobacco smoke odors, Fresh Wave IAQ® Smoke Away Air & Fabric Liquid is natural, non-toxic, biodegradable, and completely safe to use around staff and guests, including pets. Without masking odors with synthetic fragrance, Smoke Away instantly bonds to and eliminates cannabis and smoke odor molecules in the air, as well as those that have penetrated fabrics, carpeting, and other porous surfaces. Can be used with the M130 Vapor Phase Unit.

M130 Mobile Vapor Phase Unit

Developed to provide a "dry" dispersion method for the efficient and economical application of Fresh Wave IAQ Air & Surface Liquid odor eliminator. The Unit disburses sub-micron size particles for a greater degree of penetration into drapes, ceiling tiles, bedding and carpet, as well as cracks and crevices. The Unit dispenses 5,000 cubic feet of vapor per hour, quickly overwhelming larger spaces, penetrating every pore, crack and crevice. A safe alternative to using potentially harmful ozone generators or chemical laden "masking agents".

A. SPILL MOP SYSTEM

RUBBERMAID

Spills happen unexpectedly, creating hazards for patrons and staff which need to be cleaned up as quickly as possible to avoid injuries. Using a string mop and bucket can be time consuming and leaves the floor wet. Spill Mop makes it easier to quickly remove liquid spills, leaving the floor dry faster. Cuts the overall time required to completely remove a spill, leaving a safer, drier floor. Absorbs up to 32 ounces (0.94L) of fluid. Absorbed liquid is locked inside to prevent drips or leaks during disposal.

FILTERS

A-C

A. LIFEASSURE™ BLA SERIES PREFILTER

Designed with pleated nylon 66 membrane in an all-polypropylene cartridge construction, LifeASSURE filters are ideally suited for a wide range of pre-filtration and clarification applications.

CUBLA065B03BA	30"	.65 Micron	1/EA
----------------------	-----	------------	------

B. BETAPURE™ NT SERIES FILTER

Can be used for rough clarification to reduce turbidity or to filter water before it is added to wine or used for cleaning. Cartridges consist of three layers that allow uniform flow and distribution of contaminants.

NT30T050S2BA	30"	5 Micron	1/EA
NT30T010S2BA	30"	1 Micron	1/EA

C. LIFEASSURE™ BA SERIES FINAL MEMBRANE FILTER

These filters employ a nylon 66 membrane in an all-polypropylene cartridge. This sterile filter delivers excellent spoilage microorganism retention while greatly minimizing any organoleptic interference. This highly durable membrane/cartridge design withstands repeated exposure to hot water sanitation and steam sterilization.

MAILER-BOX

The Simple Self-Sealing Corrugated Shipper

Looking for a quick, simple and protective way to ship a variety of goods?

Surface Guard® Mailer-Box is a self-sealing corrugated shipper that offers more protection than standard mailers without the cost and set up time of boxes. Mailer-Box comes in 3 easy to use sizes, to allow for quick, simple and protective packaging for a wide variety of goods.

Mailer-Box features a cohesive coating that helps lock the contents safely inside while the corrugated scoring creates a package profile for bend and crush resistance. Additionally, the easy-open tear strip creates an overall positive customer experience. Save time, save money and boost operational efficiency with Surface Guard® Mailer-Box.

How to make a Mailer-Box:

Features:

- Edge profile creates box like structure
- Thick outer liner provides solid puncture resistance
- Easy open tear strip for improved customer experience
- Self-sealing attributes eliminate need for tape and void fill
- Easy set up for improved packaging speeds
- Recyclable

Mailer-Box applications:

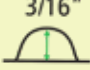

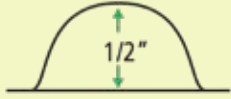

- Books & magazines
- Auto parts & supplies
- Industrial parts & supplies
- Cabinetry parts & hardware
- Health & beauty products
- Cords & cables
- Software, CDs & DVDs
- Photos & printed goods
- Jewelry
- Premium retail goods

CARTON SEALING TAPE COMPARISON CHART

Hot Melt Adhesives are noted for quiet release and easy unwind during application. They also have excellent adhesion to corrugated properties at varied temperatures. Works well with case sealing machines.

Acrylic Adhesives are noted for clear, non-yellowing properties. They are best suited for application on corrugated properties and low temperature applications.

	HOT MELT	ACRYLIC
Quick Tack	Excellent	Excellent
Corrugated Adhesion	Very Good	Good
Moisture Resistance	Good	Good
Clarity	Good	Excellent
Application Temperature	45° to 120° F	32° to 140° F

HELPFUL TAPE HINTS:

- Seal boxes with just one strip of tape.
- If you are using 2 strips of 2" tape, try a 3" tape or thicker mil. This will save time and money.
- Always seal boxes a minimum of 2 inches down the sides.

3"

- For boxes over 16" wide
- Difficult to adhere surfaces
- For boxes where flap/lids do not meet
- Underfilled/overfilled RSC boxes

2"

- For boxes 15" or less
- For boxes where flap/lids meet.

Please be advised that all information will be held in strictest confidence. Upon Credit Approval, a credit limit may be established at the sole discretion of WCP Solutions (Creditor). Applicant authorizes Creditor to conduct a credit investigation and contact any/all references as provided.

Applicant's signature attests financial responsibility, ability, and willingness to pay Creditor invoices in accordance with the terms stated on each invoice. No terms or conditions on a Purchase Order differing from the terms of Creditor shall be accepted unless agreed on by Creditor in writing. A finance charge equal to the maximum amount allowed by law but not to exceed 1.5% per month may be imposed on delinquent invoices. Payments may be applied against open charges at the discretion of Creditor. In the event that the account becomes delinquent, the applicant waives the right to a jury trial and the prevailing party is entitled to attorney fees for any action, suit, claim, arbitration or appeal. Venue and jurisdiction of any legal action may lie either in the county (or borough) and state of the Creditor's branch office or King County, WA at the sole option of Creditor.

Applicant agrees to notify Creditor of any changes in ownership or legal status of the business. Until Creditor receives written notice by certified mail of any change in ownership or entity, applicant agrees to accept liability for all charges to the business conducted under the firm name.

Should credit availability be granted by Creditor, all decisions with respect to the extension, continuation, or termination of credit shall be at sole discretion of Creditor. If application for business credit is denied; there is a denial of a request for an increase in applicant's credit limit; or credit has been terminated, applicant has the right within 60 days to request a written statement of the specific reasons for the denial. Creditor will send written statement of reasons for the denial within 30 days of receiving request.

Applicant certifies that the above information is true and correct to the best of their knowledge, agrees to be bound by all the terms and conditions contained in this application, and further agrees that a facsimile shall be as binding as an original signature.

Personal Guaranty

In Consideration of WCP Solutions (hereinafter referred to as "WCP") granting credit to _____ (hereinafter referred to as "Company"), the undersigned personally and unconditionally guarantees to WCP and any of its affiliates the payment of any obligation of the Company and its successors and assigns including any new entity formed. This obligation includes any and all of the Company's liabilities, obligations, debts and indebtedness to WCP, now owing or hereinafter incurred or created including all costs, fees and expenses, including but not limited to all legal, collection and other professional expenses. Venue and jurisdiction of any legal action will be either in the county (or borough) and state of the Creditor's branch office or King County, Washington, at the sole option of WCP.

The undersigned:

- Understands this is a continuing and irrevocable guaranty and is binding on the Guarantor and Guarantor's heirs, successors and assigns so long as any indebtedness remains unpaid.
- Understands the guaranty shall continue until the undersigned has notified WCP in writing of its cancellation, but such cancellation shall not alter any obligation of the undersigned arising hereunder prior to receipt of such written notice.
- Consents to hereby waive notice of default, nonpayment and notice thereof.
- Agrees that a facsimile shall be as binding as an original signature.
- Acknowledges and represents that any title(s) written near the signature below is/are intended merely to clarify the individual's position with the company and in no way is/are intended to limit or cancel the personal nature of this guaranty.

The undersigned personal guarantor, recognizing that his/her individual credit history may be a necessary factor in the evaluation of this personal guaranty, hereby consents to and authorizes the use of consumer credit reports on the undersigned by the above named business credit grantor from time to time as may be needed in the credit evaluation process.
