

Die cut labels for my HP Indigo?

Open up your Indigo sheet fed press to do all kinds of label formats. Circles, ovals, specialty stars, bar tap labels, hearts, or any shape or size you need. Do it with pre-die cut labels.

Avoid label lift inside your Indigo press with Spinnaker die cut labels.

Available sizes, facestocks, and adhesives:

Sizes: 12x18 and 13x19

Constructions include:

- Gloss, matte, semi gloss, and uncoated
- White and clear vinyls
- Teslin®
- Permanent and removable options

- Minimums as low as 1,000 sheets
- No separate die costs
- Quick turnaround
- Constructions certified by RIT*
- Engineered to run with no label lift
- Formatting to meet end use specs

Ask your Sales Rep for details and information.

*Products certified at RIT are tested in full sheet format. See spinps.com for details.
