TITAN OPAQUE • DIGITAL SHEETS

Bring your projects to life with **Titan Opaque**, the go-to uncoated sheet for great print results, digital performance, and everyday versatility. Manufactured by Hansol, Titan Opaque features a 97 brightness for clean contrast and sharp image reproduction. Designed for consistency and quality across a range of weights and applications, it delivers impressive results at an exceptional value. A smart choice for both commercial and in-house printing.

- Smooth, uniform surface for sharp, vibrant prints
- Runs reliably on offset, dry toner, and digital presses
- Great for mailers, manuals, catalogs, and business forms
