SEEING IS BELIEVING!

Don't miss this chance to get a live demonstration of Lantech's proven packaging solutions – right at your dock door, using your products!

- Place your load on the QL400XT and learn how you will improve your load containment force while removing film and labor waste from your bottom line.
- Test your boxes on the C300 Case Erector & CS300 Case Sealer to see how you can improve your case handling operation.
